ALBERTA

February 12, 1959

Vol. 4, No. 5.

A. Playford, Publisher.

MANY EVENTS IN DRAYTON VALLEY OVER WEEKEND.

Some idea of the amount of people in this area can be gained from the number of events which were staged in Drayton Valley over the past weekend, which were all well-attended. Starting on Thursday, February 26th, was Drayton Valley's Second Annual Bonspiel, which was an unusually successful affair, according to all who participated in it. On Friday evening was the Oil Wives Semi-Formal Dance in the Gaudium Room, which is also rated very highly for entertainment value. On Saturday evening there were three events going on at once.... The Bonspiel Banquet, the Fourth Annual Ice Carnival and a Square Dance.... and all were very well attended.

In the Bonspiel there were four events, No. 1 was the Northwesters Utilities Event; No. 2, the Hotel Event; No. 3, the Redwell Fracturing Event; and No. 4, the Redwell Servicing Event. Winner of the trophy in No. 1 Event was a rink from Sedgewick, skipped by Anderson. This rink turned in a magnificent performance throughout the entire bonspiel. In fact the bonspiel was characterized by some unusually good curling by most of the rinks present.

In No. 2 Event winner of the trophy was the Barwick rink, with Reglin (2), Sawatzky (3) and Casey (4).

No. 3, event winner of the trophy was Rose rink, with the other three rinks in the following order: MacLean (2), Murray (3) and Harrington (4).

No. 4 Event winner of the trophy was the Lewis rink, with McGladrie (2), Thompson (3) and Impy (4).

In each of the various Events the group for which the award was named had donated the beautiful trophies which were put up as first prize, along with other prizes that were put up by various other firms in this area. Donators of first prize in the No. 1 Event was the Curling Club, 4 liquor cabinets; second prize, 4 electric drills, was donated by Gollad Oil and Gas; 3rd prize, 4 ice crushers, was donated by Anderson Oil Transport, and 4th prize, pen and pencil sets, was donated by McFarland Lumber Wards Ltd.

In the second event Tantula sets were donated by Drayton Hardware and Drayton Valley Motors as first prize; Barbecue Garden Grills were donated by Stewart Motors and the Curling Club; as second prize, camera outfits, as third prize were donated by the Dry Store and the Curling Club and fourth prize, travel-alarms, was donated by A. Lloyd and the Curling Club.

In third event camera outfits were donated by Eskimo Fracturing for 1st prize; camp stoves were donated by the Curling Club as 2nd prize; radar lites, 3rd prize, were donated by Imperial Lumber, and 4 picnic jugs were donated by Crown Lumber as 4th prize.

Fourth event 1st prize was curling sweaters donated by Redwell Servicing Co. 2nd prize was club bags donated by W. Rose; 3rd prize was car robes, donated by A. Meier and H.O. Williamson.

The Bonspiel closed Sunday evening with all in agreement that it had been a highly successful event, so far as interest and entertainment were concerned.

SHARON WOODS CROWNED QUEEN OF ICE CARNIVAL.

In spite of the very cold evening a bang up crowd turned out to witness the Fourth Annual Drayton Valley Ice Carnival. Ticket sales were very good for the choice of who would preside over the Ice Carnival as 1959 Queen. Winner of that honor was Pembina Pipe Lines' choice, Miss Sharon Woods.

Winners of the Dress Parade were Tim Leroy, Scarlett Repka, Marcella Dixon and Jo-Anne McLean. The Scout Guard of Honor was composed of eleven boys; Ken McMorris, David Joyce, Bill Urchysyn, Steve Seranas, Gerald Winhons, Roger Berlinguette, Jack Kane, Chuck Byers, Rusty Mohn and Jim McManus.

The Local performers, Barbara Rempel, Marlene Tibbott and Darlene Wigley were very good and show much promise for future development. Edmonton sent us a wonderful representation, including two professionals, Miss Hanna Fuchs and Mr. Gordon Linney. Little Linda McQuig, who was a headliner last year, was unable to come this year because of another skating engagement. A comedy skit on the ice, "Hiking Old Bossie" put on by local talent was good for several laughs from the crowd.

After the performance the Scout and Cub Mothers Auxiliary put on a wonderful meal for the performers, members of the Scout Association, and others. M.C.ing the dinner was Anders Anderson who introduced various visiting members of the Edmonton Skating Club, members of the Boy Scout executive, and other guests.

Entire proceeds of the Ice Carnival go toward Scouting activities in Drayton Valley. Last year 11 boys were sent to camp with the help of the Ice Carnival funds.

The Bonspiel closed Sunday evening with all in agreement that it had been a highly successful event, so far as interest and entertainment were concerned.

SHARON WOODS CROWNED QUEEN OF ICE CARNIVAL.

In spite of the very cold evening a bang up crowd turned out to witness the Fourth Annual Drayton Valley Ice Carnival. Ticket sales were very good for the choice of who would preside over the Ice Carnival as 1959 Queen. Winner of that honor was Pembina Pipe Lines' choice, Miss Sharon Woods.

Winners of the Dress Parade were Tim Leroy, Starlett Repka, Marcella Dixon and Jo-Anne McLean. The Scout Guard of Honor was composed of eleven boys, Ken McMorris, David Joyce, Bill Urchyshtyn, Steve Saranas, Gerald Winhons, Roger Berlinguette, Jack Kane, Chuck Byers, Rusty Mohn and Jim McManus.

The Local performers, Barbara Rempel, Marlene Ibbotson and Darlene Wigley were very good and show much promise for future development. Edmonton sent us a wonderful representation, including two professionals, Miss Hanna Fucks and Mr. Gordon Linney. Little Linda McQuig, who was a headliner last year, was unable to come this year because of another skating engagement. A comedy skit on the ice, "Walking Old Bossie" put on by local talent was good for several laughs from the crowd.

After the performance the Scout and Cub Mothers Auxiliary put on a wonderful meal for the performers, members of the Scout Association, and others. McQuig the dinner was Anders Anderson who introduced various visiting members of the Edmonton Skating Club, members of the Boy Scout executive, and other guests.

Entire proceeds of the Ice Carnival go toward Scouting activities in Drayton Valley. Last year 11 boys went to camp with the help of the Ice Carnival funds.

REPORT FROM THE LEGISLATURE

By Harold McLaughlin, M.L.A. for Stony Plain Constituency.

OPENING OF THE LEGISLATURE. Two weeks earlier than last year the 1959 Session of the Alberta Legislature was opened on Thursday in the traditional ceremonial manner. The 29 man Honor Guard this year was furnished by the 2nd. Battalion of the famed P.P.C.L.I. A new feature this year was the Royal Salutes provided by six trumpeters from the Lord Strathcona's Horse.

The most significant part of the brief but colorful opening ceremony was the reading of the Speech from the Throne by the Queen's representative in Alberta, Lieutenant Governor, Hon. Dr. J.J. Bowlen. This provided the first official indication of the extent and nature of the legislation to be introduced during the forthcoming session.

SPEECH FROM THE THRONE. This year's Speech, though more lengthy than usual, did not contain too many surprises as a goodly portion of it dealt with items already very widely publicised in the "Governments' Five Year Plan." The high-lights giving an indication of forthcoming legislation may be dealt with briefly.

FARM CREDIT. Of general interest is the announcement of a new act to provide loans up to \$2000.00 for the improvement of farm homes. The existing Farm Purchase Credit Act will also be amended.

LIVE STOCK PROGRAM. A new item forecast is a Beef Cattle Performance Testing Program. Increased aid is indicated for the purchase of purebred sires and for the control of brucellosis or contagious abortion in cattle.

FARM MANAGEMENT SERVICE. This will be a new service designed to give instruction and practical assistance in farm management.

FORESTRY PROGRAM. A system of connecting roads designed to ultimately provide a direct north-south route through the entire Western mountain and foothill region will be further advanced this coming year.

PROVINCIAL WILDERNESS PARK. An item of great interest to those interested in the preservation of some of our public lands in their primitive state, is the announcement that some 2100 square miles of mountain and foothill country north of Jasper Park will be restricted as to commercial development and set aside as a permanent wilderness area for camping, hunting and fishing.

FINANCIAL AID FOR STUDENTS. Increased financial aid for deserving students is promised in the form of expanded program of scholarships, grants, loans, and bursaries.

SCHOOL GRANTS. Substantial increases in operational school grants are indicated.

HEALTH SERVICES. A start on the provision of hospital facilities for chronic patients is to be made, and increased aid is promised for those people suffering from diabetes and rheumatic fever.

Surprisingly, no mention is made of legislation to implement the Government's previously announced intention to assume the cost of new hospital construction. In this connection the

(cont'd next column)

Report From the Legislature (cont'd)

Minister of Health has already indicated that his department is giving favorable consideration to a Municipal Hospital for Stony Plain.

HOUSES FOR SENIOR CITIZENS. This Welfare program to cost some \$16 million, has already been well publicised in previous pronouncements of the "five-year plan" and Stony Plain has been promised one of the 50 occupancy homes.

HIGHWAY CONSTRUCTION. The largest highway program in the history of the Province is indicated. Exact details of this program will not be revealed until the highway estimates are submitted to the Legislature but the Minister has already made some public commitments indicating that considerable work will be done on Highway 16 in this area, that a start will be made on paving Highway 57 and that preliminary work on the Femina bridge will be undertaken this year.

MUNICIPAL FINANCE. The Municipal Finance Corporation is to be re-activated after a one year suspension and will again make funds available to local municipal organizations, school and hospital boards.

RURAL FIRE PROTECTION. Another new item is the proposal to set up rural fire protection areas and fire officer training schools.

DEPARTMENTAL REORGANIZATION. In a shift of departments it is proposed to set up a new Department of Labor and to abolish the Department of Economic Affairs whose present duties will be divided between other existing departments.

THRONE SPEECH DEBATE. The traditional Throne Speech Debate, which gives every member the opportunity to speak on almost any topic he wishes, was opened by Dr. W. W. Gross, former minister of health, who criticised the Federal Government's failure to combat inflation and stressed the difficulties faced by agriculture under present condition.

George Bell, S.C. member for Gleichen, broke the longest silence maintained by any present member of this Legislature when he spoke in the Throne Speech debate on Friday. It is said that his was the first word he had uttered in the House in some 14 years and he was accorded a rousing round of desk thumping for a better than average speech.

NEW LEADER OF THE OPPOSITION. The performance of Grant MacEwan in his new role as Leader of the Liberal Party in Alberta, and Leader of the Opposition in the Legislature, will be awaited with considerable interest when he re-opens the Throne Speech debate on Monday.

FORECAST FOR THE SESSION. Many signs point to this being the last session before the calling of a Provincial General election. Some members are even forecasting that Premier Manning may call another snap election before the end of this session if his "five-year plan" meets with too much criticism. This, however, seems unlikely in view of the fact that most of the items in this plan were repeatedly asked for by Opposition members during previous sessions.

PROGRESS REPORT WITH REGARD TO AGRICULTURE BY: Hugh M. Horner, M.P., M.F.

Since my last report there have been a few developments in agriculture on which I would like to comment.

The first, which has received a lot of publicity lately, is the mass delegation to Ottawa. In my remarks to the House of Commons on the Throne Speech Debate I said that it would be too bad for the Farm Unions if their leaders lost the confidence of their supporters and the confidence of the Government through becoming entangled in a political issue.

To make my position perfectly clear, let me say that I welcome and will welcome any delegates from my constituency to Ottawa with a great deal of pleasure.

There has been a lot of argument with regard to the supplementary acreage payment program of the Government as opposed to deficiency payments. I must say at once that I am not in favour of deficiency payments paid on a bushel basis. The farmers in our constituency received over three times as much money on the supplementary acreage program at a dollar per acre than they would have received on deficiency payments as outlined by the Wheat Pools.

I feel also that the Wheat Pool method of paying deficiency payments would discriminate against individual initiative in altering their farming program to meet the needs of the country. It also would discriminate against the family integrated farm and, after all, the way for individual farmers to compete against the much talked about vertical integration in agriculture is to have our family farms integrated units. This was the principal upon which the acreage payments were made—that the money would go to those farmers who were, in a sense, family farms.

It is also a fact that the large farmers' cost of production is much less than the smaller farmers, and again this is another reason for the acreage payments.

There has been some difficulty in certain areas in the constituency where the Wheat Board had refused permits. I am very pleased to be able to tell you that this difficulty has been overcome and that the Wheat Board is now sending out letters telling these farmers that their applications are being considered.

If any of the farmers in Jasper-Edison are still having difficulty in getting a permit and thus their acreage payment, I would ask that they get in touch with me at Ottawa immediately, giving me the details of their particular problem.

The livestock situation remains good. Cattle markets are strong and should remain good for some time. The latest release in the cattle production in Canada shows another decrease of 2½ in the total with a much larger decrease in the steer and heifer population. This means, of course, that our markets should remain strong and it also means that with a strong cattle market it will help the sale of our pork production.

The hog prices in Northern Alberta in the last few weeks have kept slightly above the floor and this augurs well to maintain the floor price at its present position.

However, I have suggested (cont'd next column)

Progress Report (cont'd)

in the House of Commons that if the floor price cannot be maintained at this position, then we should give serious consideration to removing the support price for commercial production and supporting only bona fide farmers. This could be done in a variety of ways, but perhaps the easiest would be some sort of a quota system.

The Speech from the Throne has in it two interesting pieces of proposed legislation that have to do with agriculture. One of these concerns a revised system of farm credit. Everyone interested in the problem agrees that we need a better system of long term credit so that our farm family units can be more efficient and more economical.

The other has to do with a crop insurance scheme integrated with the Province. This, too, is something that will be of vital interest to all of the farmers in my area.

As soon as these two items of legislation are placed before the House, I will make a resume of them and place it before the farmers in my constituency.

In the meantime, I would appreciate hearing from anyone in the constituency with regard to local or national problems and I would assure you all that your advice and ideas are most valuable.

HAMPTON-MILNE NUPTIALS.

A pretty wedding took place recently at the United Church when Miss Judy Hampton became the bride of Mr. Jim Milne at a double ring ceremony. Rev. Albion Wright officiated at the wedding in which the bride was given in marriage by her step-father, Mr. Wilfred English.

While the register was signed the Lord's Prayer by Felix Mendelssohn was played by Mrs. Pickup. For her wedding the bride chose a ballerina-length white gown with wide insets of white lace; the sleeves came to a dainty lily point over the wrists. The bride's double-tier chapel length veil was scalloped with insets of lace that matched her gown and held in place with a small tiara set with rhinestones. She carried a beautiful bouquet of red roses and white hyacinths.

The bridesmaid, Lorraine Jonson, chose a dusky rose nylon full skirt ballerina-length gown; her head dress was of pastel flowers and she carried a bouquet of white carnations.

Attending the groom was his brother, Mr. John Milne, of Edmonton, and nephews were Skip Hampton, a brother of the bride, from Rowley, and Werner Gomminger, of Edmonton.

The bride's Mother, Mrs. English, was very charming in a turquoise shade dress with a modified Queen Anne collar with matching feather chapeau she carried beige accessories, her corsage was American Beauty roses.

The groom's Mother, Mrs. Gares, of Viking, wore a very chic blue grey two piece suit; she wore a coral shade cloche and accessories to match she also wore a corsage of Tallman roses.

FOOD FOR THOUGHT.

BY: Danita Boling.

"If I were a Queen!" As a child, did you spend a lot of time playing queen, and wasn't it the most exciting game of all? I grew up just feasting on stories of queens; mean ones, good ones, pretty ones and ugly ones, but any story about a queen would hold my interest for hours and I decided then that I would be a queen when "I grew up". However my Prince charming did not arrive in a suit of armour astride a beautiful white steed, instead he was dressed in a marine's uniform and he chugged up to the front door in a very old beat up model T roadster. The model T was about on its last legs but he was lucky to have it as it was the beginning of the depression days. So I didn't become a queen, (except in my own home) but that's the way the ball bounced! However, I have always wanted to see a Royal Lady and now, with luck, my life long dream will be fulfilled. Queen Elizabeth will be spending 17 hours in July, in Edmonton and I intend to try and catch a glimpse of her. I am old enough now to see the disadvantages of being a queen and I never cease to marvel at Queen Elizabeth's stamina and her sweet graciousness. Wouldn't it be awful to have to always smile, be thoughtful and do exactly the right thing at all times? I'm sure she is as human as the rest of us and that there are days when her feet hurt or when she would just enjoy acting like a spoiled pouting child or would like to shed real tears in order to gather a bit of sympathy. I wonder if she ever screams at Prince Philip for putting his big feet on the coffee table or if she ever gives him fits for being late for dinner? My childish desire to be a queen has disappeared with maturity as I know now that I have more privileges than a queen can ever have. I wouldn't mind having some of her beautiful clothes, jewels and the diamond tiara and of course all the glamour that goes with it. I wonder how I would look walking through our village during breakfast all dressed up in a long swooshy brocade gown, a diamond tiara on my head and of course, knee high waders on my feet? Anyway I'm luckier than the pussy cat who had to go to London to see The Queen as I only have to go to Edmonton!

I have been hearing a lot of talk about Holidays. I guess it's a great advantage to be taking holidays during break up for those of us in this area. Some planning on leaving as early as March 20th. Hearing others make plans has made me want to join the throng. I have always felt that midsummer vacations have disadvantages such as overcrowded resorts, high prices, and in some places, very hot weather. There are always big decisions to be made in regard to holidays, mainly where to go and how to get enough money to go there. We would like to go to California this spring but those buttons in our piggy bank won't even get us out of Alberta. California has a slogan, "Keep California Green - bring your money!" That refers to the "greenback" currency and is a pretty fair idea of what is needed. California, being our home state, should offer us a better deal than that, so I've been busy routing our trail via friends and relations where we can expect room and board. That will search 'em to issue invitations lightly, I'll betcha! My family was prolific so I have relatives straggled from one end

(cont'd next column)

Food for Thought (cont'd)

of California to the other and if we can pack enough food along on sleep in the car until we get to the California line, we can then be King and Queen.

This recipe is fit for a Queen and guaranteed to please your Prince charming. Happy Valentines to all the Queens of Hearts and to the Knaves, too!

A Lenten Shrimp Dish

1 cup celery 1 can shrimp
1 small onion 4 eggs beaten well
2 to 3 green pepper 1 1/2 cups milk
8 slices of bread, cubed 1 can mushroom soup

Butter casserole. Add half of bread to bottom of casserole. Add celery, onion and pepper cut up fine. Add shrimp and cover with remaining bread. Pour milk over top and cover with aluminum foil and place in refrigerator overnight. Preheat oven to 350 degrees and bake for 30 minutes, remove from oven, add mushroom soup and bake 30 minutes longer. If casserole is real cold, baking process may take longer.

"Better to desire the things we have than to have the things we desire". Henry Van Dyke.

DR. BROOKS ATTENDS COURSE

Dr. Brooks recently completed a Post Graduate course in "Diagnosis of Common Surgical Conditions", sponsored by the University of Alberta and the Canadian Medical Association.

The course was attended by some 25 doctors drawn from all over the province.

ELKS PURCHASE COMMUNITY HALL.

Drayton Valley Elks Lodge recently purchased the Drayton Valley Community Hall. The building will be used by the Lodge for their regular meetings and will be rented to other groups for meetings and dances and so on, as formerly. Caretaker of the hall, and also in charge of hall rentals is Lester Miller.

The Elks are preparing to conduct another Ice Break-up contest, with a cash money prize to the one who guess nearest to break-up time.

DRAYTON VALLEY HIGHLIGHTS.

Will anyone having clothing or shoes, especially children's wear, that they would like to donate to the Wilmar relief work please telephone Mrs. Christoffersen at 503.

The Torrey Sisters balanced up their family on January 2 when Torrey Diana's little brother, Thomas David was born.

The Annual Meeting of the Drayton Valley Library Board was held on February 11th. Thirteen members were present. A very full agenda, including a constitution and by-laws was dealt with in the three-hour session. The library now has a total of 2012 books with 45 adult, 400 second hand typewriter, badly needed for cataloguing. Mrs. Larbalestier, chief librarian, is assisted by fifteen volunteers. For 1959 the following persons will represent various clubs and organizations of the town: Victor Halva; W.L. - Mrs. Charles Moore; Chamber of Commerce - To be appointed; School - Mrs. Cobbemick; High School - Ole Rupchenko.

The executive for 1959 is: Chairman - Mr. MacDonald; Secretary - Mrs. Charles Moore; Treasurer - Mrs. Christoffersen; Publicity Chairman - Mrs. Glenmont; Mrs. Larbalestier was appointed chief librarian for another year. There was discussion of the problem of books not being returned to the library without repeated reminders to borrowers in some cases. The time and money consumed for these calls and letter naturally cuts into the modest budget

DRAYTON VALLEY SENIORS PROVINCIAL INTERMEDIATE "B" HOCKEY PLAYOFFS -

An all star team formed from the local senior league has entered the Provincial Intermediate "B" hockey playoffs. The team journeyed to Edmonton on Wednesday night in the first game of a two game total goal series and defeated Edmonton athletes 9-5 in a rough and bruising battle. Playing coach Ole Mandryk scored four goals for the winners while Clesky, Rhanna, Wilson, Schultz and Demers notched singles.

The game was marred by rough play with several penalties dished out by the referee including 2 major penalties for fighting and a misconduct to Mandryk with five minutes remaining in the game.

The second game of this series will be played on Sunday afternoon here with the winner advancing against Burns & Dutton from Edmonton. Your support is requested and good hockey is guaranteed. This is the first team in Drayton Valley history and it is surprisingly good considering lack of practice due to cold weather, has hampered the teams chances so lets all get out and support your team.

D.V. Lineups..... Goal - Madly; Defence - Mandryk, Shulte, Lachan, Pourtier; Forwards - Elson, de Bappard, Jenkins, Demers, Clesky, Witke, Davisson, Jones, Rhanna, and Freisher.

DRAYTON VALLEY UNITED CHURCH WILL HOLD A FELLOWSHIP DINNER FOR MEMBERS AND GUESTS IN THE COMMUNITY HALL, February 18th, Wednesday, at 7:00 p.m.

HAMPTON-MILNE NUPTIALS

(continued)
Out of town guests, besides those mentioned, were Mr and Mrs D. Hampton of Rowley, and Mr and Mrs Johnny Bills, of Entwistle.

The reception was held in the basement of the United Church and the Violet Grove Ladies Aid attended to the wishes of thirty guests.

Mr and Mrs Milne are honeymooning in Medicine Hat and points South, later to reside in Drayton Valley.

ANGELICAN W.A. CONDUCT PAN-CAKE SUPPER.

To a large number of guests the Drayton Valley Anglican W.A. served Shrove Tuesday Pancake Supper in the Parish Hall, from 5 to 7.30 Tuesday evening.

On the bill-of-fare was delicious ham, with fried eggs and pancakes.

Assisting in serving were Mrs Davies, Mrs Chalmers, Mrs Louth, Mrs Starling, Mrs Halliday, Mrs Tyler, Mrs Alton and Mrs Leckie. Mrs Patrinquin acted as cashier for the occasion.

BOXING MATCHES TO BE STAGED.

The Pembina Boxing Association reports good progress in getting some of the local boys into shape, and it is expected that within a few weeks a boxing card will be put on in Community Hall. Date set for the boxing events is April 11, which is a Saturday night.

The club meets at Scout Hall on Tuesday nights after the Cub meeting, at about nine o'clock, and on Friday nights, starting at 7.

With the card soon to be put on the club will now get down to business in bringing along their best fighters, and there are some very good ones in all classes. At present in the heavyweight division there is one lad that shows a lot of promise as a heavy, determined and crafty slugger, and in the flyweight class there is one young lad who will soon be able to lick his weight in wildcats.

At a meeting of the Boxing Association executives recently it was stated by the members that for the present at least the minimal age of twelve years would be adhered to. It was decided to check the ages of boys attending the boxing meetings and to admit only those which were twelve years old. At a later date the club may be opened to younger ages, but for the time being it was felt that the twelve year age minimum would be

WHAT WE MEAN BY CUSTOMER RELATIONS...ITS THE WAY.....

- we speak to the man who wants to buy only ten feet of lumber.
- we answer the telephone..
- we ask the individual to wait, until he can see the person he wishes to see.
- we help the customer who is possibly entering upon the most important contract of his life.
- we hand the quotation to the customer.
- we tell a good customer that his account is past due and not subject to discount.
- we help a new and small customer to profit in his dealings with us.
- our truck drivers respond to the unwritten law of courtesy on the street or where the delivery is being made.
- we create a friendly atmosphere in our establishment--the collective personality of the staff--plus the team work and desire to serve that is in evidence at all times.

IN OTHER WORDS, WE BELIEVE THAT YOU, THE CUSTOMER, DESERVE BOTH COURTESY AND ATTENTION. WE LOOK FORWARD TO A VISIT FROM YOU SO THAT WE MAY EXTEND THESE SERVICES PERSONALLY.

FEBRUARY 19, 1959

Vol. 4. No. 7.

A. Playford, Publisher.

DRAITON VALLEY PERMITS FOR 1959

Building permits for the new year total a little over \$42,000 up till February 12. Of this total about \$17,000 was commercial construction and the rest was residential, either for new houses or remodeling of existing ones.

Following is the list of permits issued and the location of each:

Cowley Bros. Residence, lot 3, block 14,
Duncan & Schoepf. Residence, lot 52, block 25
H.M. Mastre- Residence- lot 4, block 12.
H.W. Pickup- basement renovations Lot 14, bl.12
Albert Larson- Res. renovations- lot 8, block 6.
Whitehall Canadian Oils Ltd... Office and dormitories, lot 9, block 10

John Brando and Valley Valet Ltd. renovations to business establishment, lot 8, block 3.

Drayton Valley Store Ltd. New plumbing installations and interior renovations- lot 6, 7- bl.3.

Preliminary estimates are being made now on the 1959 sidewalk building program. There will be quite a large amount of new sidewalks put in this year. It is expected that a notice of the proposed sidewalks to be constructed will be published next week.

A number of inquiries have been made regarding property in Drayton Valley, currently under consideration is a new service station, located across from McFarland Lumber Yards Ltd. The group has been some talk of a building being built here this spring in the area in the centre of town, proposed for parking; the building would house the Royal Bank, with other offices, and perhaps stores or shops included in the plan. A large department store is reported to be considering putting in quite a large store in Drayton Valley, too. If it is built, it too will be built on the land across from the main part of town, is now being used for parking.

Inquiries have also been made regarding lots for the location of a motel. Men representing a large hardware concern were also in Drayton Valley recently looking over the prospects for a business location here and inquiring for places to buy or rent which would be suitable for such a business.

Drayton Valley is said to be eligible for a post office building and there is also the possibility that one may be built here sometime in the next two or three years.

A number of good business sites are still available, but until new blocks are opened up residential sites, although available at present, will be in short supply. There are said to be about 20 class "A" lots available, some 25 class "B" lots and a number of class "C" lots still to be obtained. The class "A" lots require residences built directly on the lot; class "B" lots may have an approved house moved in on the lot, and class "C" lots may have a temporary dwelling on the lot, while the main residence is being constructed, up to a period of three years. It is pointed out, however, that on class "C" lots, anyone putting a temporary dwelling on the lot has to connect it to sewer and water.

The Town Council is drafting the new budget for the coming year. A census of the population has recently been completed and figures of the amount of people now living in Drayton Valley will be available for next week's paper. Last year the census, taken in early March, showed 3304 residents. It is expected that this year's number will be perhaps a couple of hundred more, or a population of around 3500.

FATAL ACCIDENT TO C.T. OPERATOR.

On Thursday, February 5, at about 5:00 p.m. Leonard LeFournieu, age 28 years, was struck by a heavy cable while he was operating his cat on the job just east of Easyford.

Dr. Brooks attended the scene of the accident and Mr. LeFournieu was removed to Drayton Valley Hospital where first aid was administered, and he was then taken to University Hospital in Edmonton to be placed under the care of a brain specialist.

Unfortunately, he died of his injuries early the next morning. He was single, and had been living in Lodgepole previous to the fatal accident. The cat was owned by Ledko Construction Company, for whom Mr. LeFournieu was working at the time.

Coroner Dr. Brooks has stated that no inquest will be held.

WHITE BULL RESTAURANT REMODELS.

After extensive remodeling Drayton Valley's White Bull Restaurant expects to re-open for business early next week, with Tuesday set as the time of re-opening. (continued inside)
